

## A theatre trip to Montreal with **THEATREKS**

Sunday, December 3, 2023

“☆☆☆☆. A ROUSING SHOWBIZ TELL-ALL!” – *The Toronto Star*

Jake Epstein's been “that guy from *Degrassi*”, starred in the US National Tours of *Spring Awakening* and *American Idiot*, played Spider-Man on Broadway, and starred in the original production *Beautiful: The Carole King Musical*. Not bad for a kid from Toronto who dreamed about performing on Broadway ever since he was a child. But the thing about dreams is, they don't always go as planned. Through a series of entertaining and soul-baring stories and songs, Epstein shares the rejection, stage fright, and heartbreak behind a seemingly successful career in this showbiz tell-all. *Boy Falls From The Sky* is a must-see for anyone who's ever chased their dreams.

“5 stars! Soars to great heights! Moving. Heartfelt. Ingenious. Brave, truthful, and triumphant performance.” – *Now Magazine*

“Abso-frigging'-lutely note-perfect! A knockout piece of writing. A winner.” – *Intermission Magazine*

“Joyous, moving, and funny!” – *The Slotkin Letter*
